

Hello Women's Empowerment Tea participants,

Thank you for choosing to attend what will be a fun, enlightening, and tasty event benefiting Pickett Fences Senior Services, Inc.

Some of you may be asking yourself, "What is the proper dress for the tea?" Our answer to that is- Festive Tea Attire!

The dress code is meant to be comfortable, fashionable, and fun! Please no jeans, sneakers, or t-shirts. Your attire should be similar to your Sunday's best with the festive additions of perhaps a nice hat and a pair of gloves!

Women can wear a nice dress or skirt paired with a jacket or sweater. You could also wear a tailored pair of trousers and a beautiful blouse. The same applies for young girls!

Men and boys can wear causal suits and trousers paired with a polo, button up, or jackets and sweaters!

Feel free to have fun with your outfits and accessories. It's a great excuse to get dressed up for a great cause! We look forward to seeing you!

Kindly,

The Pickett Fences Team
